ABOUT IIT MADRAS RESEARCH PARK

IIT Madras Research Park, India's first university-based research park is a not-for-profit company promoted by IIT Madras and conceived by Prof. Ashok Jhunjhunwala in the spirit of breaking traditional barriers.

We aspire to build an innovation ecosystem where industry leaders and scholars can collaborate with state-of-art technology to integrate knowledge to real-time products or services. By fostering partnerships and assisting new ventures, we are determined to transform and exceed the global standards of the research and development industry.

70+ R&D partners

200+ Startups

3000+ Professionals

1.2 Million Sq.ft Facility

Industry X Academia
